

CONOR DUNNE

Graduated from Scoil Uí Mhuirí
2014

Bonjour à tous!

My name is Conor and I'm a former student of Scoil Uí Mhuirí. I've just turned twenty and will soon begin the third year of an undergraduate degree studying French and Spanish literature, philosophy, and linguistics. I've spent the last two years at Trinity College Dublin but this year I will be studying at the Université Michel de Montaigne in Bordeaux.

After graduation, my dream career would be to work in a translation house, but I have no fixed plans for the future just yet. The only thing I do know for certain is that I will spend the coming years travelling around the world, meeting new people, making new friends, learning new languages, seeing all there is to see, and doing all there is to do. That's the thing about a language degree: the possibilities are endless!
