

UNA CARROLL

Graduated from Scoil Uí Mhuirí
2016

My name is Úna Carroll and I graduated from Scoil Uí Mhuirí in May 2016. I'm currently doing a degree in International Languages in UCD. I knew from a young age that I wanted to study languages and as I got older I became interested in linguistics and how languages worked. I hope to do my masters here and then become a translator, travel the world and maybe work for the EU! Studying in UCD is a dream come true and I know I wouldn't be here if I wasn't for the amazing support I got not only of my friends and family but off the teaching team in SUM, especially from Ms O'Connell who constantly pushed me to do my best, helped me whenever I needed it and was a prime example of a teacher who was proud of her work! If I had any advice, I'd tell current SUM students to listen to their teachers, work hard and be proud of what you can accomplish!
