DECEMBER 2023

Junior Cycle Results

On October 18th, the Junior Certificate class of 2023 received their highly anticipated results. We were delighted to welcome so many parents/guardians into the school to celebrate this great occasion with their children. All of us here in Scoil Uí Mhuirí are delighted with the fantastic set of results that this amazing group received!

Italy Trip 2023

In the early hours of October 28th, 60 students and 7 teachers headed to Dublin Airport to begin their history/geography trip to Italy. The group visited Venice, Sirmione, Milan, Verona, Movieland and the San Siro Stadium during the trip. They also visited Romeo and Juliet's House, Verona Arena and the Bridge of Sighs.

The teachers wish to thank the students for their impeccable behaviour during the trip and we hope they all had a great time. Thank you to the organisers and teachers who travelled.

Extra-Curricular @ SUM

Our Gaelic teams have had a very successful term and we now have two Leinster finals to look forward to after Christmas.

Our senior team had an impressive win over Beaufort College. The second-year team had two great wins this term against Athboy CS and Coláiste Clavin. Our under-16 team also had a great win over Coláiste Chú Chulainn.

The very best of luck to both teams in the final!

We are so proud of 3rd year student TJ Molloy, who spent time in Serbia with the Ireland U15 soccer team. TJ scored two goals, and Ireland won all three matches! Well done TJ!

1st year student Lorcan O'Connor travelled to Barcelona over the Mid-Term break with the Dundalk Schoolboys team, who won the tournament. Lorcan also won Player of the Tournament. Well done Lorcan, we are delighted for you.

Congratulations to 5th year student Grace Conway. Grace recently represented Ireland at the World Junior Boxing Championships in Armenia. We are proud of you Grace!

Congratulations to 5th year student Hannah Hanratty, who is the Scoil Uí Mhuirí winner in the Dundalk Rotary Club Leadership competition.

Trade Fair!

On November 30th, our Transition Year students showed off their creations at the annual trade fair. This is a real highlight in the TY programme for many. From cookies to football socks and everything in between, it went down a storm! A big thank you to all students especially Ms. Farrell for their monumental efforts.

The Chairperson of the Board of Management, Cllr John Sheridan paid a visit and highly commended the companies. The Trade Fair was on for students during the day and open to the public in the evening time. A big congratulations to the students for their great products!

Congratulations Leah!

Congratulations to 6 Liffey student Leah Shevlin, who was awarded the Louth County Council Civic Award for 2023. Leah was nominated for this award by Cllr. John Sheridan for her work with Comhairle na nÓg. We are proud of you Leah!

Christmas Choir Service

On Monday, December 18th, we hosted a choir service in the gym. We had the student, parent and teacher choirs perform on the night. A huge thank you to all involved!

Parents Morning!

We were delighted to host our parents in early December for a festive wreath-making class. It was great to see so many in with us enjoying the preparations for Christmas. Many thanks to the parents for your ongoing input to policy development.

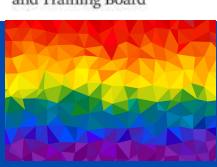

Student Council

The Student Council have had a very busy first term. During our meeting time, we have discussed and debated many things. We read over and discussed the various school policies. All those were ratified by the council. We also reviewed our constitution - which is important, ongoing work - to finalise it and rewrite it in the new year. We also discussed various aspects of school life.

We look forward to 2024 being productive and we have many plans up our sleeve to make it so.

Stand-up Week

In early November the school celebrated Stand Up/Anti-Bullying Week. This is an important annual event in Scoil Uí Mhuirí. We take this opportunity to remind students that bullying of any form is not tolerated. We also stand with members of the LGBTQI+ community and celebrate diversity during this week!
