

Scoil Uí Mhuirí
Post Primary School

Bi Cineálta means Be Kind
and is our new school policy.
We want everyone in our
school to feel safe and
happy!

Bullying behaviour is when
someone is mean or hurtful
to others on purpose over and
over again - (not just once)

Bi Cineálta

#BeKind

If you tell a staff member that
someone is being bullied we will:

1. Talk to the student
2. Come up with a plan
3. Talk to every student involved

The Bi Cineálta Policy is to see
what is working well and what we
can do to make things better
each year.

We will ask students for their
input!

Please tell someone if
you or someone else is
being bullied!
